Goodwill Industries of Eastern North Carolina (GIENC) | Durham, NC |

- **Curriculum Engineering:** Engineer a scalable STEAM Box ecosystem for remote distribution to directly increase STEAM accessibility for 51 counties and 1k underserved youth
- **Instructional Design:** Structure a comprehensive curriculum that integrates high-tech tools with learning activities, and ensure strict alignment with Next Generation Science Standards (NGSS)
- **Iterative Prototyping:** Facilitate on-site STEAM lab workshops, and gather real-time learner feedback to iterate on instructional materials using Design Thinking protocols

UX RESEARCHER & CONSULTANT (GRADUATE PROJECT) Jan 2026 – Present
Partnered with Maslera AI | Chapel Hill, NC |

- **UX Audit:** Execute a comprehensive heuristic analysis of the Maslera AI educational platform that utilizes user journey mapping to isolate friction points in the learning flow
- **Data-Driven Strategy:** Synthesize venture data and user feedback to formulate 3 strategic recommendations to directly address user retention and interface navigability

**ELEARNING DEVELOPER & INSTRUCTIONAL DESIGNER**

Jan 2026 – Present

Project: NIHSS Examination Training Course | Chapel Hill, NC |

- **Course Architecture:** Architect and engineer a fully functional online course for NIHSS certification with **Articulate Storyline 360**, **Articulate Rise**, and **Canvas LMS**
- **SME Collaboration:** Orchestrate Subject Matter Expert (SME) consultations to distill complex medical protocols into scaffolded learning modules

PRODUCT DESIGNER (AI & PROTOTYPING)

Jan 2026 – Present

Project: AI-Powered Project-Based Learning Tool | Chapel Hill, NC |

- **AI Prototyping:** Build an adaptive learning prototype utilizing Generative AI persona panels to scaffold student projects
- **System Design:** Create high-fidelity wireframes in Figma and develop a functional AI interface that personalizes feedback based on learner inputs
- **Market Validation:** Conduct market analysis with a Business Model Canvas to validate the product's viability for the K-12 market

PROFESSIONAL EXPERIENCE**STATE-APPOINTED SOCIAL EDUCATOR & CASE MANAGER**

Jul 2023 – Aug 2025

Administrative District Office | Düsseldorf, Germany |
